Skills

Proficient: Confluence, TypeScript, JavaScript, JavaScript, Photoshop, InDesign, Illustrator
Some Experience: Git, Java, Python, SQL, C#, C/C++
Languages: Fluent English and Spanish

Education

5/2019
B.S. in Computer Science / University of Houston – Clear Lake, Houston, TX
- Cumulative GPA: 3.199 / 4.0

Experience

11/2021 – PRESENT
Gateway Data Integrator/ Barrios Technologies, Houston, TX
- Worked under Human Space Flight Technical Integration (HSFTIC) where I developed high quality reusable templates, and user interface components, applying and maintaining dynamic themes/styles for confluence wiki. Additionally, I maintained fluency in application development processes and technologies used to deliver Web solutions including HTML, JavaScript, CSS, SharePoint, Confluence Wiki Macro and Plugins.

01/2019 – 08/2020
Graphic Designer and Production Specialist/ Leidos, Webster, TX
- Worked under the Cargo Mission Contract (CMC) where I created flight-approved artwork and decals for various spacecraft flights and training. Additionally, designed and published marketing materials for Leidos' NASA contracts.

01/2017 – 01/2019
Peer Mentor / University of Houston – Clear Lake, Houston, TX
- Tutored students in computing coursework, assisted professors with instruction of introductory computer sciences courses, and planned/organized tech events on campus.

01/2018 – 06/2018
Front-End Web Application Development Intern/ Tietronix, Houston, TX
- Build reusable and reliable code for future use, ensure web design is optimized for a variety of screen sizes and devices, and conduct web-application testing.
